

RTN offers a comprehensive range of services that enables employers to support and nurture their neurodivergent workforce.

Diagnostic Assessments

Our corporate autism and ADHD diagnostic assessments include:

- A comprehensive and NICE compliant diagnostic assessment
- VIP treatment
- Fast-tracked service - appointments typically within 2 weeks
- Post-diagnostic interviews
- Liaison with the employer's HR department
- Producing two versions of the report – one for the individual and one for the employer's HR department
- Progress tracking for the employer's HR department

This service can be provided on a pay-as-you-go basis, or discounts can be offered for pre-paid packages.
